

MORRISTOWN AIRPORT

DM AIRPORTS, LTD. welcomes Applicants for the position of:

Accounting Manager

*DM AIRPORTS, LTD. Operates Morristown Airport (MMU)
on behalf of the town of Morristown, NJ*

The Airport

Morristown Airport (MMU) is one of the nation's premier general aviation (GA) airports. Given the airport's advantageous location west of New York City in Morris County, New Jersey, MMU is home to flight departments of multiple Fortune 500 Companies, two world-class Fixed Based Operators in Signature Flight Support and Atlantic Aviation, U.S. Customs & Border Protection to accommodate international travel, Air Traffic Control and more. A fixture in the New York Airspace since the early 1940s, MMU has long been recognized by industry organizations as a leader in the general aviation world and actively advocates on behalf of all GA members.

The Region

What do you call a region that offers every type of amenity and entertainment under the sun? We call it home and so can you. That's what living and working in Morris County, New Jersey can provide. While Morristown itself has plenty to offer from a lively downtown scene filled with restaurants, bars, concert venues, parks, museums and more, the region itself offers so much more. Pick a direction from MMU and go explore.

To the east, you'll find Hoboken, one of the nation's top ranked towns for young professionals. Not to mention, just across the Hudson River in Hoboken, lies the city that never sleeps. To the west and north, skiing, hiking (on the Appalachian trail no less) and any other outdoor activity you can find here in New Jersey and with our neighbors New York and Pennsylvania. To the south, 127 miles of coastline await along the Jersey Shore.

Whether you enjoy live sporting events (with 11 professional teams in driving distance!), bustling city life (New York should fit the bill here), exploring the outdoors, or anything in between, working and living here in Morris County opens up endless possibilities.

The Company.

DM AIRPORTS, LTD. (DM) is responsible for every management facet of Morristown Airport, both airside and landside. Joining our dynamic and experienced team will give you the full picture of what running an airport is all about. Our team is responsible for the integrity and safety of the airfield, maintaining an exceptional landside campus, managing leaseholds, coordinating major construction and development projects, connecting with the local community, marketing efforts, and engaging with industry organizations.

DM has a long history of industry engagement with multiple staff holding appointed positions such as AAAE NEC Chapter Officers, International AAAE Board Members, NATA's GA Airport Committee Members and ACRP Oversight Committee Members. These engagements create relationship pathways that help drive staff promotions and professional advancement. There is a long list of professionals who take a great deal of pride in the fact that they started their career at MMU.

1 The Position: Accounting Manager

The Accounting Manager serves as a key member of the Finance Team. Reporting to the Director of Finance, the Accounting Manager will be responsible for the accounting and financial functions, including general ledger, accounts payable and receivable, payroll, cash management, financial reporting, and month-end and year-end close processes for the Company.

This role prepares monthly financial statements, supports budgeting and forecasting activities, supervises accounting staff, and coordinates audits and tax filings while ensuring compliance with accounting standards and internal controls.

In addition, the Accounting Manager will also oversee the Company's Capital Program, which includes tenant capital assessments and grant administration. Working closely with project stakeholders, the role ensures accurate financial tracking and reporting, manages Capital Program and ERP dashboards, monitors financial performance, and implements controls and cost-management initiatives that support Company objectives.

With the ability to interpret financial data and make sound business decisions, the Accounting Manager is expected to be highly organized, analytical, and capable of managing a team while effectively balancing multiple priorities with accuracy and confidentiality. This position offers a challenging and rewarding opportunity to work collaboratively within a dynamic airport environment, contributing to the overall financial operations of Morristown Municipal Airport.
